

Swim Team Buddies

If you would like to be/have a swim team buddy, please complete this form and turn in to [Carleigh Olson](#) (Olson family folder) by [Thursday, June 11](#). The 8 and unders and the 9-10s will have older buddies from the 11-12, 13-14 and senior groups

As a buddy, you are there to encourage and cheer on your younger buddy at meets and help them feel positive about their swim team experience.

You may also give an INEXPENSIVE gift to your buddy but please keep it simple. Remember, you must be committed to this if you sign up. Younger swimmers feel badly if you sign up and then don't follow through.
